1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a resident of Tega Cay

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

This is the fourth rate increase by TCWS in 12 years. In the rate case two years ago, TCWS was granted a rate increase of 18% for "investment and ongoing expenses". The letter TCWS customers received this time stated that TCWS is seeking a rate increase to recover more than \$ 2,000,000 that has already been invested in the system over the last three years. TCWS had an increase 2 years ago to invest in the system and they are now seeking an increase to recover the investments? At the rate increase of 2 years ago the Public Service Commission noted that very few improvements were done to the system.

Is this new increase a form of double dipping?

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
